ENGRAVER'S DEPARTMENT,

July 3rd, 1882.

Sir

In regard to the suggestion of the Hon Secretary of War, "a rifleman in kneeling position" to take place of design No 1. I respectfully call your attention to design No 3 "Third Class prize Army Marksmanship," which is already engraved and is precisely a kneeling rifleman, I therefore think it would be improper to use the same design for another class medal.

I am very respectfully

Your Obedient Servant

Chas. E. Barber

Engraver.

Hon. A. Gordon Snowden
